—→**Helpful Tip:** *Using the IRS Data Retrieval Tool when completing your FAFSA will help speed up processing time if your file is selected for verification.*
- **Respond timely to any request for verification/documentation!** The Department of Education randomly selects FAFSA applications for verification. If your FAFSA is selected, you will be required to submit additional documentation. Please be advised, **acceptable documentation to verify tax information will be the use of the IRS Data Retrieval Tool through the FAFSA application, submission of an official Tax Return Transcript from the IRS, or a signed 1040 Income Tax Return for tax filers, and both an official IRS W-2 Wage and Tax Statement Form and Verification Letter of Non-Filing for non-tax filers.**

Communication and status updates are made on Banner Web or sent to your ASU email account so it is important that you access these often. For technology support, please email: helpdesk@asurams.edu.
- **Financial aid does not transfer from one school to another!** If you are a **transfer student**, you will need to add the 001544 school code to your FAFSA **and cancel all pending** loans or grants at the school where you last attended. After requesting cancellation at your previous school, please notify ASU that your loans and grants have been cancelled at ifinaid@asurams.edu.
