

ASU Faculty,

If you would like assistance in submitting your early alert and the progress report monitoring process please sign up for a session below. The monitoring of your submission ensures that the student for which you have issued the report is getting the appropriate interventions to ensure success in your course and will help you track this process. In addition, you may receive information from reports issued on your advisees for which you may need to act on. It is essential to monitor your cases in EAB and we are here to help you learn how to use this tool effectively.
