Honoring Excellence in Academic Achievement

OFFICE OF THE PRESIDENT

March 20, 2025

Dear Albany State University Honor Students,

On behalf of the entire Albany State University family, I am honored to congratulate you on your exceptional academic achievements. Your hard work, perseverance, and commitment to excellence have earned you a place as an Honor Scholar at this prestigious institution.

Today, we celebrate your dedication to your studies, your leadership, and your unwavering pursuit of excellence. By earning this recognition, you are joining a distinguished group of individuals who are not only excelling academically but are also preparing to shape the future. I encourage you to embrace your role as leaders, innovators, and trailblazers—both on our campus and in the wider world.

Your success is a testament to your talents, but it is also a reflection of the unwavering support you have received from your professors, family, and friends. I hope you take a moment to express your gratitude to those who have guided and encouraged you along the way.

Once again, congratulations on this well-deserved recognition. I look forward to witnessing your continued success and celebrating many more milestones with you during your time at Albany State University.

Yours for ASU,

Dr. Lawrence Drake, II
President

Dr. Juana Parillon

Veteran, U.S. Marine Corps
Mediator and Conflict Resolution Consultant

Dr. Juana Parillon is a United States Marine Corps veteran with over two decades of leadership, human relations, mediation, and conflict resolution experience. During her tenure in the Marine Corps, Dr. Juana was one of only 37 Equal Opportunity Advisors (EOA). As an EOA, Dr. Juana developed and facilitated entry-, mid-, and executive-level training, conducted organizational surveys and data analysis,

oversaw dispute resolutions and formulated policies and procedures for various organizations.

In 2012, while serving as an EOA at Marine Corps Logistics Command, Dr. Juana founded the Mentors In Action (M.I.A.) program in Albany, GA. This program allowed Marines to volunteer their time with children in primary, secondary, and post-secondary schools throughout the community. Her development and work with M.I.A. eventually afforded her the honor of receiving Albany's Forty Under 40 Award. A highly sought-after speaker, Dr. Juana has given several keynote addresses and has functioned as a moderator at many events.

She has also been tapped to lead many important discussions at private events. Dr. Juana serves as a mediator and conflict resolution consultant for organizations throughout the United States. She has mediated and coached individuals, teams, and departments in the non-profit, corporate, military, and higher-education sectors. Dr. Juana is also the author of several published articles and is working on a co-authored book and a solo project to be released in 2026.

Dr. Juana has several degrees, including a Bachelor of Science in Psychology from the University of Maryland University College, a Master of Science in Industrial and Organizational Psychology from Walden University, a Master of Business Administration from The George Washington University, and a Doctorate in Industrial and Organizational Psychology from Walden University. Despite her many accomplishments, Dr. Juana's work is grounded in three core leadership principles: humility strengthens us, honesty connects us, and trust bonds us. Her goal is to continue to emulate those principles and guide others while on their leadership journeys.

THE ALMA MATER

By Gladys Ward McCullough Sapp '46

Albany State, we dearly love you
Whose walls are inscribed with knowledge so true.
So solidly built on this foundation,
A union of work and inspiration.
Teacher for those who strive for success;
To thee we give praises above all the rest.

Thy jubilant colors of blue and gold
We'll ever honor, ever behold;
Thy name is an anchor upon life's sea,
And sailing, we put our trust in thee.
In thee, dear school, we see all the best;
To thee we give praises above all the rest.
