

HOLLEY HISTORY HUNT

MARCH 25TH – APRIL 1ST

How well do you know ASU's history?

WWW.ASURAMS.EDU/HOLLEYHISTORYHUNT

1. ASU is on the Flint River's shore. What was left standing from the flood of 1994?
2. It is evident that this building was named after ASU's 6th President.
3. An art gallery you will encounter, this building was named after ASU's Founder.
4. Picture the Student Affairs Vice President who served ASU for thirty years. In 2021, this portrait appeared.
5. He gave ASU all he had to give; this is where our Founder lived.
6. On the Lower East Campus, you will find, where students used to come to dine.
7. What are the commonalities between a nurse, a flower, and a color?
This building holds Academic Affairs but has served many others.
8. This building was named after the birthplace of ASU's benefactor in 1903, she worked with Dr. Holley to make ASU a guarantee.
9. The student union of days gone by was the place to gather for all the girls and guys.
10. You might go here to study amidst the peace but stumble upon some Koi fish and a flock of geese.
11. You might go here to check out a book or stop by the mural for a quick look.
12. When ASU turned 100 years old, Professor Arthur Berry created a sight to behold.
13. A great college president and founder, we know he was quite, but what book did Dr. Holley write?
14. With circular stairs next to the Human Resources door, in this building you will find the University seal on the floor.
15. "A Past to Cherish, A Future to Fulfill," students have walked under this for years, and for years they still will.
